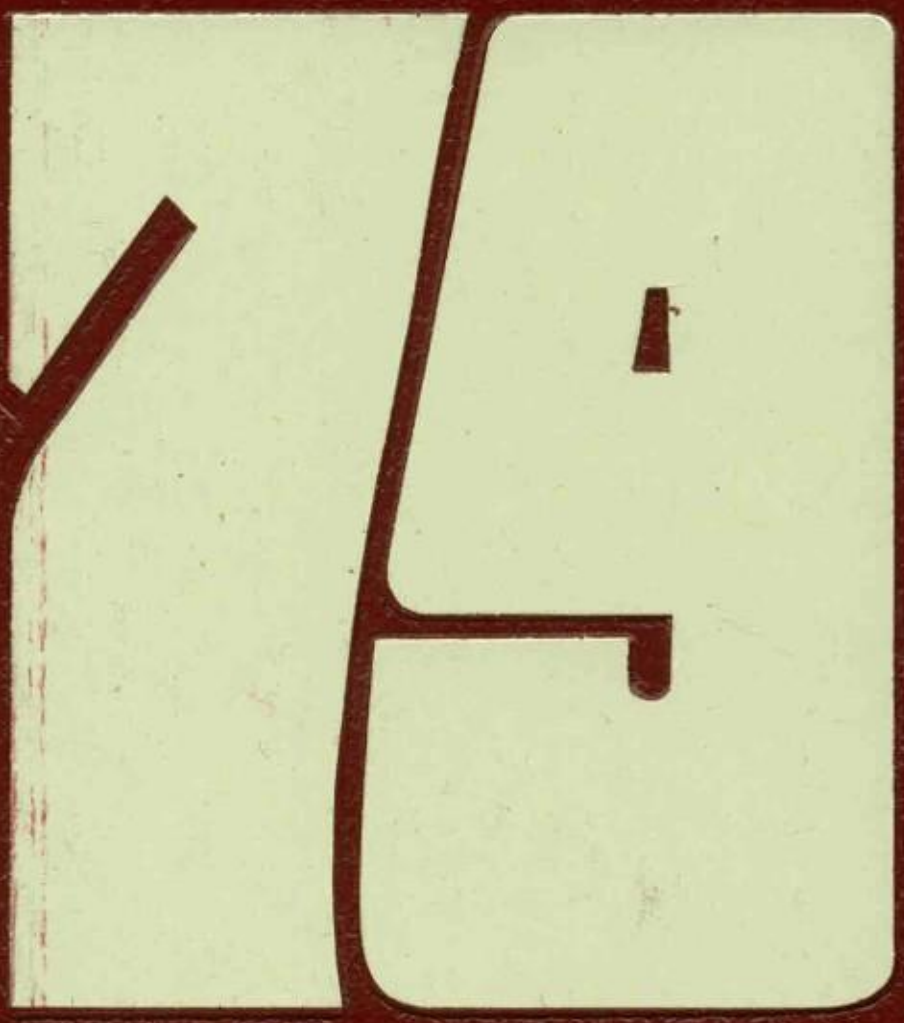
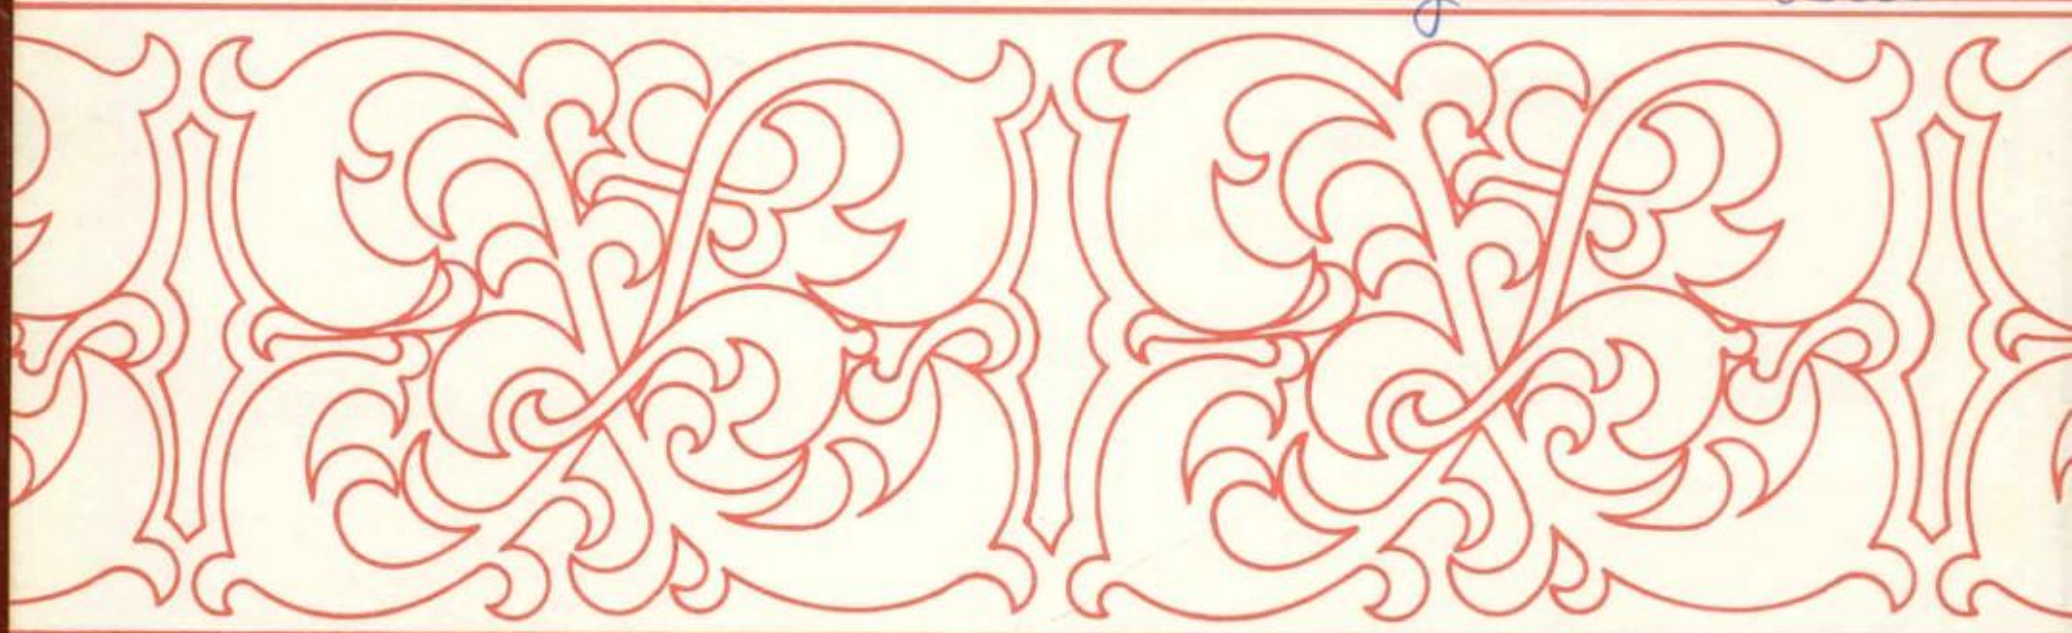
JACKRABBIT



Jeffery B.

Jeff,

I'm really glad that I got to meet you. We've had a lot of good times, well at least I know I have. We've had an arguement or two but we always seem to work 'im out. I wish I lived here but I know that if I did things wouldn't be as good as they are now, I mean I've got so much competition here theres no way I could ever have you to my self! But I guess I'm satisfied with what we have. I can't wait to go to Six Flags this weekend I know we'll have a lot of fun. Jeff, I just want you to know that you are very special to me, I don't know what I would've done the night of the tornado without you. You were always there through the whole thing and it meant alot to me. You are so diffrent from any guy I know. You're a smart ass sometimes but I'm learning to live with



that because I'm really just as bad as you! Well Jeff I don't know what else to say so ~~I close~~ I'll close. Good luck in school an <u>try</u> to stay out of trouble!

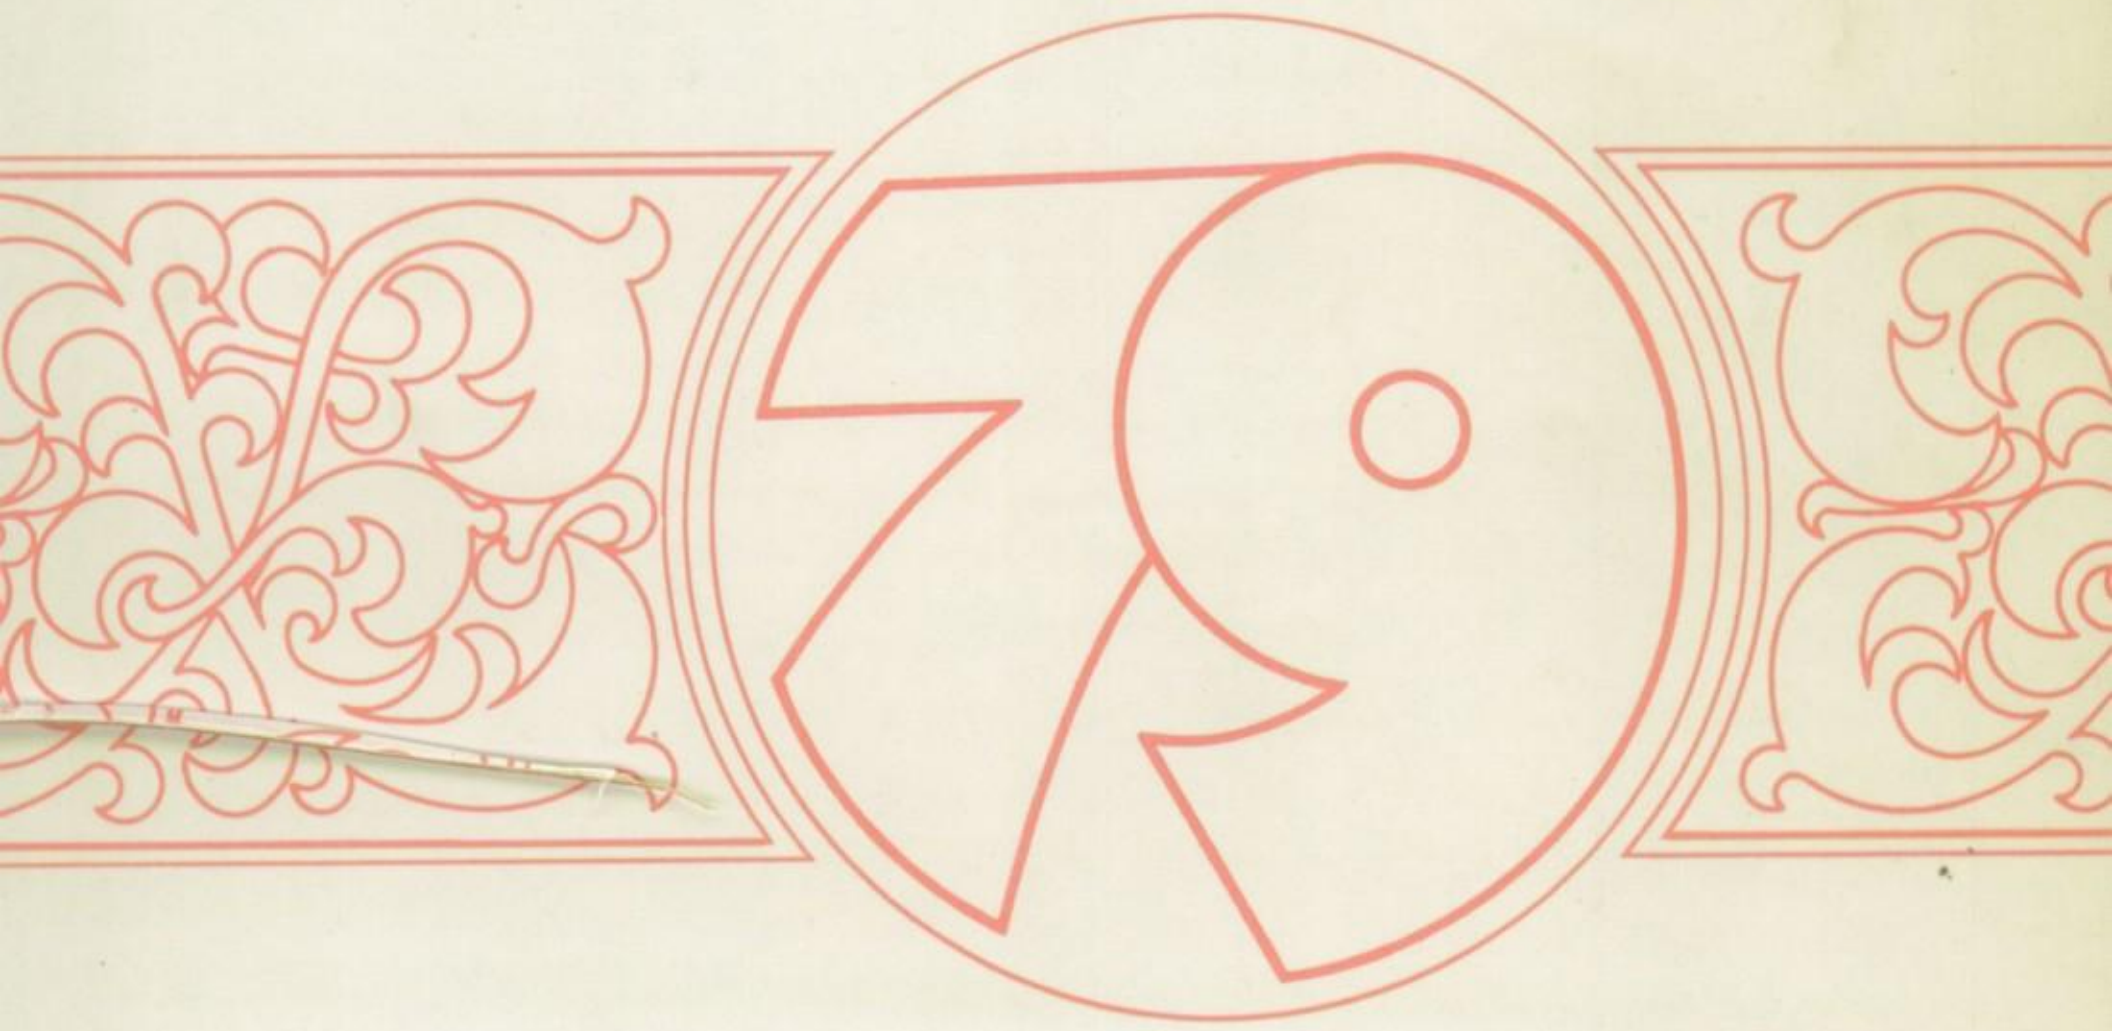
I love ya!

Kim

Jeffrey — Belly

How you doing. To bad we didn't win state in football, it would of been great. We had a blast in football, we were the 2 Best Softies on the team, But you always seemed to get burned, to bad. I only got burned once. Remember all the fun we had picking up girls, (trying to) everywhere we went. We had some good times. Remember Nocona, Wichita, Have a Holiday & now Bell. Boy ~~you~~ shee do get around. I can't wait till this summer. We're going to have even more fun. See ya

Todd



Well, we are finally gonna be seniors! You can bet we will raise more hell, hustle more girls, and accomplish more goals than any class before us! It will never forget going to Weatherford, it fell in love with but Nanette got sick. Ha! On the time in Norman! came to Bowie. We have really partied alot, and summer is gonna be a good one, cause bit of that decies, and have little bit of help in football, maybe it'll get to play especially for being a friend

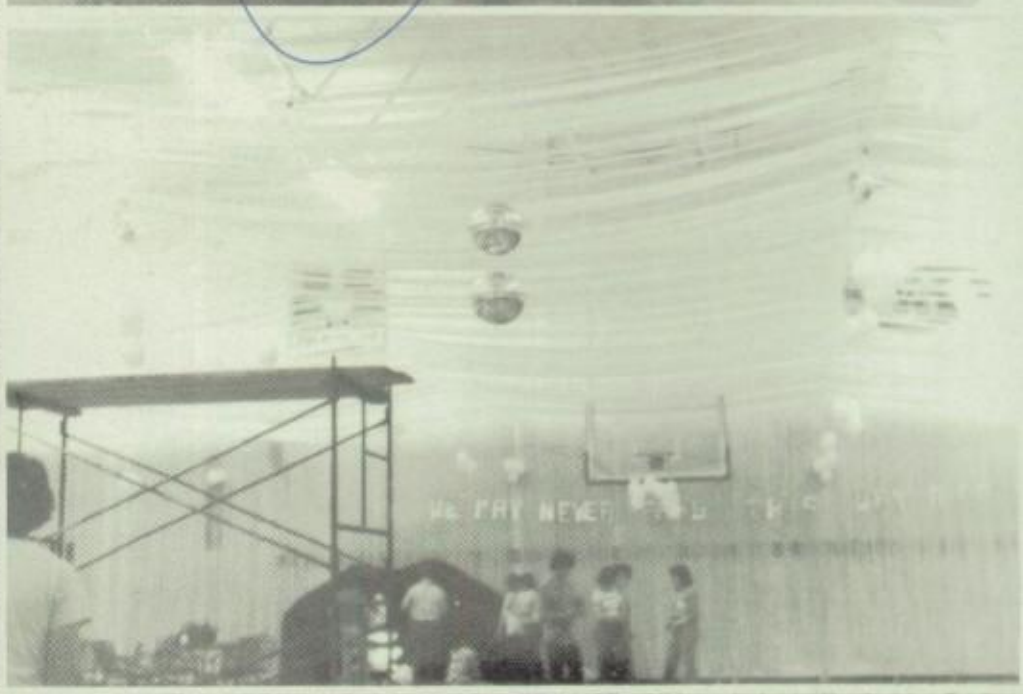
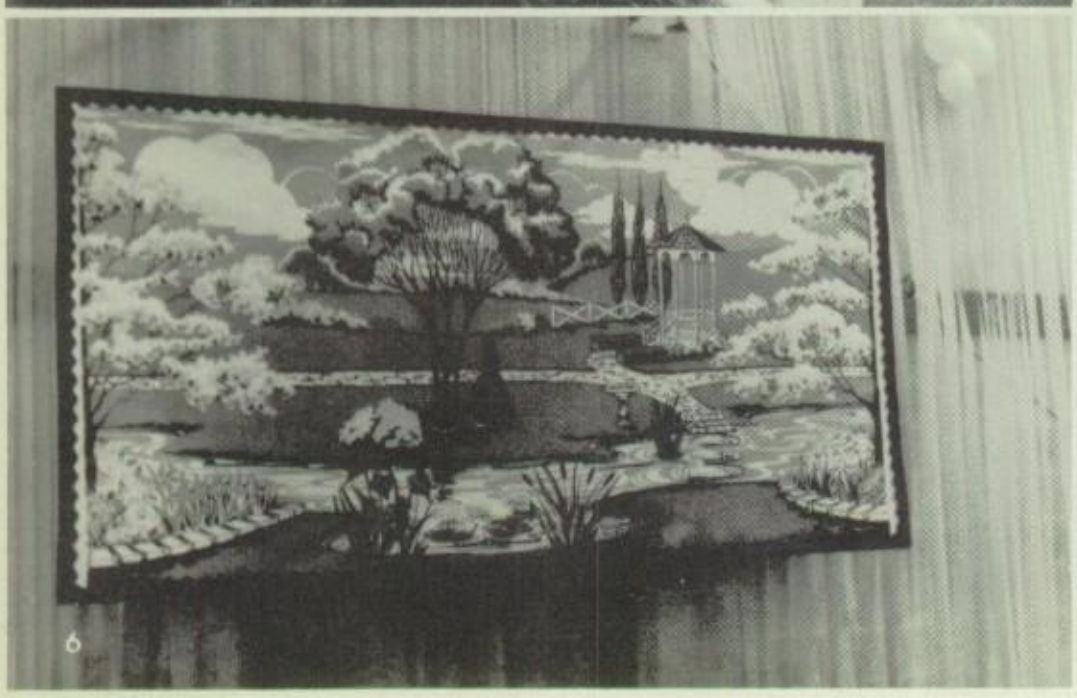
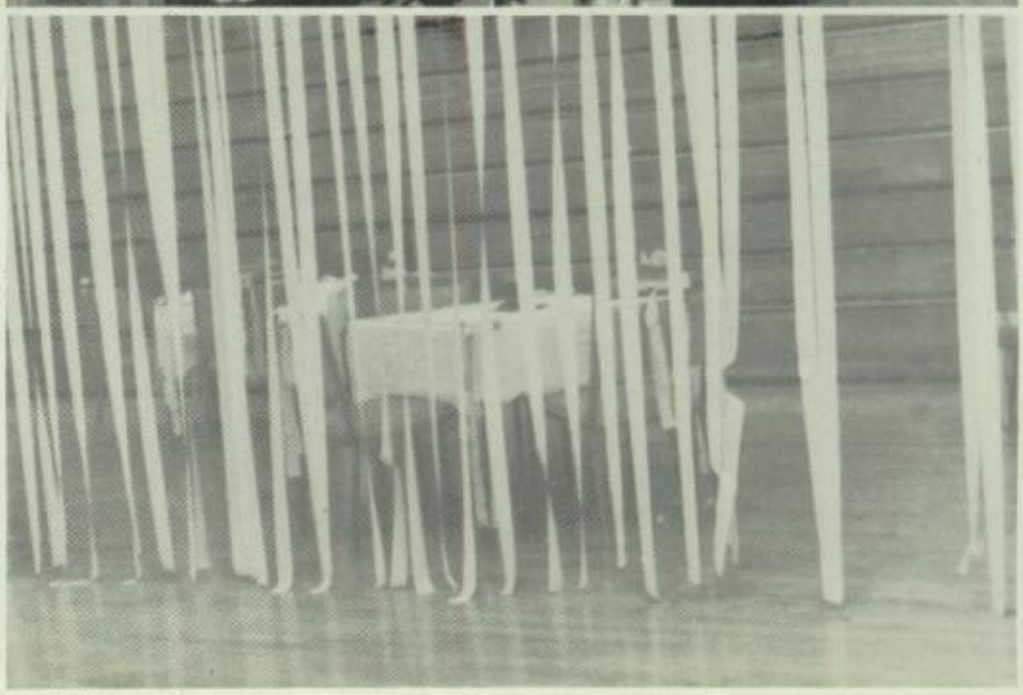
We May Never Pass







This Way Again

THE PROM

After many months of planning and many days of hard work, it all finally came together. Afterwards we sat back and said, "It is done. We have done our best." We were proud of what we had accomplished, not only for ourselves, but also for the ones who are no longer here.

Karin Ström

A vivacious beauty from Sweden has won the hearts of the students and faculty of Bowie High School. Karin Ström with her appealing personality and her desire to please has blended into the American way of life.

Football games, fried chicken, and fellowship have fascinated Karin and captured her enthusiasm. Not even the many miles of ocean that will soon lie between Bowie and Karin can separate the love and friendship she has made here.

Vice-Principal And Vice-Superintendent

Mr. Bridgwater is the vice-principal at B.H.S. and supports all of the school activities and eleminates many of our school's problems. He is very quick to assist anyone in any way.

Mr. Vassar is our vice-superintendent. He plays an important role in keeping our school running smoothly. He is a great asset to our staff, and we are proud to have him.

MRS. FRYAR

She is always there to lend a helping hand with schedules, college information, and help you decide what career may be suitable for you. Counseling is her job, and she does it well. We are very fortunate to have such a concerned person at B.H.S.

MRS. MATLOCK

As secretary to the principal, she does an excellent job in keeping the students' records and many other tasks. Whenever a student has a need, he knows that Mrs. Matlock will always be of service to him.

MRS. REAVES

Being secretary to the superintendent is not an easy job; but in spite of all of the work, she helps in many ways to keep our school running the best possible. Whatever there is to be done, we are assured that she will do the best she can.

MRS. MIDDLETON

As the "number genius" of B.H.S., she will always straighten out any kind of problem concerning money matters to just giving change from our dollars. What would we do without her?

ace bandages and pulled muscles - late practice, early practice, - "one more lap around the field" - sweat running down aching backs - "ten more push-ups and we'll call it a day" - and then, the first game - feeling a few butterflies - watching the cheerleaders go crazy on the sidelines - off the bench at last - just turn us loose! - singing the national anthem - last minute instructions from the coach - now go! ---

Alma Mater
Hail Bowie High School
Here's off to you.
Ever you'll find us,
Loyal and true
Happy and carefree,
Always we'll be,
Hail to the school we love,
Here's a toast to thee.

- JEFF -

I HOPE YOU WILL FUFILL ALL YOUR GOALS. YOU CERTAINLY HAVE WHAT IT TAKES, PHYSICALLY. YOU'VE SERVED THE BHS ATHLETIC PROGRAM WELL. I HOPE YOU'LL CONTINUE TO FIND PURPOSE IN ATHLETICS. SOME PEOPLE (classmates) MAY FEEL THAT YOU ARE JUST TALENTED. THAT IS TRUE, IN PART. THE THING THAT SEPARATES THE REALLY GOOD ATHLETES FROM THOSE THAT HAVE TALENT IS HARD WORK! DON'T FORGET THAT. NO MATTER WHAT WE WOULD LIKE TO BELIEVE WE CAN'T ESCAPE THAT REALIZATION. THE WORLD IS FULL OF "ALSO-RA AND "MIGHT HAVE BEENS." I APPECIATED YOUR EFFOR THIS YEAR IN ALL YOUR SPORTS. CONTINUE YOUR GOOD CLASS WORK. IT WILL PAY OFF. REMEMB THESE CLASSIC WORDS OF WISDOM: YIFFY YIFFWHOOIE!

BEST WISHES

(again)

Jeff - It sure has been fun knowing ya! We have been friends ever since I moved here and I'm sure glad I got the "big privilege" of dating you. (Ha!) No really, it was a lot of fun, and it's really too bad you're a "go getter" and you won't settle down with anyone. But such is life. I guess that's the smart way to be. Hope to see you in the future. Keep your charm(?) and wit(?) and you will always get what you want (literally).

Love ya,

Jeff: Hey man like we have had a blast this year. I'm glad I have a friend like you, you always make me feel like your my brother. I have to hand it to you, you have a way with the women. I hope I can always rely on you as a friend and bro. Peace, love, waterbeds, and babyz. Remember when you, Remizz and I went to W.F. town. Lets keep on hustling. Take it easy, and be careful. God luck & God bless you.

Love your friend always

Jeff - What can I say!! Thanks for all the
fun times, they were so fun! I know there's
been friction between us & we know why, but,
lets just forget all the fussing & stuff & just
stay friends. It's important that we're friends!
I thank you for understanding me! Remember
when ya told me you were movin' how funny
One more year to go & we'll all go our ways! But,
let's not forget the times we had! I wish you
luck & love throughout your life! You're a super
guy and a super friend, forever! God Bless you
